

REVERSE PIERCING FOR DUMMIES

STEP 1 TAKE ONE NIPPLE RING

(Don't have a before photo, but it's the same as this display shot)

STEP 2 ADD ONE EXPOSED DOOR CATCH (Must be mounted at a reasonable height)

Step 3 COMBINE ITEMS ONE AND TWO BY WALKING THOUGH DOORWAY AT SPEED (Don't bother opening the door fully – you've got plenty of room to get through)

Step 4

TAKE HALF A SECOND TO PROCESS THE INFORMATION

(And ponder what the metal object that just fell from under your sweatshirt might be)

Step 5

SCREAM LIKE A BITCH

It changed shape quite a bit on its way out.
(Yes, that's a slice of man-breast stuck to it.)
