Dear Brian,

The Best Foxtel Offer, Hands Down

Regarding your highly impersonal correspondence regarding the above offer to my home address at 1/49 Lantana Road, Gardenvale, Victoria, 3185, I would like to take this opportunity propose a counter offer.

Go Fuck Yourself™. Stop sending unsolicited marketing material to my address. I have no interest in your shitty and overpriced service. If I had wanted it, I would have signed up for Foxtel on one of the many other occasions that I have received letters from your company or when I have been harassed by Indian students in shopping centres.

Because I am so convinced that you will love my offer to Go Fuck Yourself™, **I won't ask you to sign a contract.** You can Go Fuck Yourself™ day after day, for just as long as you like.

BUT HURRY! OFFER ENDS IN 10 DAYS*.

You have been personally handpicked to receive this amazing offer. So to grab this opportunity, simply take your retarded service and Go Fuck Yourself™ right now!

GO FUCK YOURSELF™ IS EASY.

I'd hate for you to miss out on a winning deal like this.

No regards,

Andy Blume

*Although, I would much prefer it if you just Go Fuck Yourself™ right now, and never send any marketing material to my address EVER AGAIN. Seriously, just fuck off.
