

OK Miss Perfect Jackie K*****, Danny and Albert told me about your affair.
You kept in contact with a guy you had a 3some with.

Ask Danny he told me!

Albert actually went to beat him up at shop centre.

You so high and mighty, dont treat us all as fools.

You had AFFAIR. Dont bullshit to anyone, we all know the truth. Dont act concern about Albert cause you are NOT.

You are a nasty manipulative person and Danny and Rojna only nice to you because of the girls – they hate you – and also what Danny told me, don't you dare judge me. You are nota nice person and to have a relationship outside your marriage. How dare you judge me. You are contradicting.

If you didn't have the girls you have nothing.

DON'T JUDGE OTHERS.

We all know u used drugs with Albert, he told us, so get a grip and lose the high all mighty cause I will tell everyone bout you.

I WILL TELL EVERYONE BOUT YOU.

YOU DON'T CARE ABOT ALBERT.

You rubbish me long time ago – Payback a Bitch

PAYBACK A BITCH!!

If no-one know about your affair they will
